The LA Chapter of ASA is proud to host this special event featuring: **Debra Burchett-Lere**, Acting President and Director of The Sam Francis Foundation and **Christine Steiner**, Art Attorney at Sheppard Mullin Richter & Hampton LLP.

LOCATION: Pasadena Museum of History
470 W. Walnut Street
Pasadena 91103
www.pasadenahistory.org

Free parking available in the lot or on the street.

A number of panels, organized by IFAR (International Foundation for Art Research), Christie's, and the Catalogue Raisonné Scholars Association, have been held in recent months pertaining to the issues involving artists' foundations, authentication, the legal environment, lawsuits, artists' catalogues raisonnés, and the impact on the art market. The distinguished speakers, from both the art and legal worlds, will continue the dialogue.

Topics to be discussed include:

- The effects on the market for works in relation to traditional catalogues raisonnés
- Keeping catalogues raisonnés current and authoritative
- The function of artists' foundations in light of authentication issues and recent developments, such as the disbanding of the Andy Warhol Art Authentication Board
 - Timely legal issues pertaining to authentication questions with several artists' foundations
 - The influence of these issues on the art market
 - There will be an opportunity for questions after the presentation.

LIMITED SEATING is available for this event, please register early. Your registration fee includes a light brunch.
